

**RESOLUTION ESTABLISHING A DRIVEWAY
TILING POLICY FOR THE TOWN OF PINE LEVEL**

WHEREAS, the Board of Commissioners of the Town of Pine Level has deemed it appropriate to establish a policy to govern the installation of driveway tile,

NOW THEREFORE, BE IT RESOLVED by the Board of Commissioners that, effective immediately, the following driveway tiling policy will be observed by the town and be it further resolved that this policy shall supersede any such policy that may have existed previously, whether written or verbal.

It shall be the responsibility of the Town of Pine Level to install 20' of reinforced concrete tile for the first driveway requested; in whatever diameter tile as may be required for the particular application, but not less than 15"; and it shall be the responsibility of the town to provide the dirt necessary to cover the tiling installation.

It shall be the responsibility of the property owner/builder to provide 20' of reinforced concrete tile in the diameter specified by a certified engineer, for the first driveway installation. In the case of a driveway wider than 20' or a second driveway, the property owner will bear the extra expense. Tile may be purchased from the town.

Adopted this the 21st day of June 2004.
