

Utility customers can now sign up for Eye On Water at <https://helpeyeonwater.com> or you can download the app on your phone. It is designed to allow you to track your water use on an hourly, daily, monthly and yearly basis. It also uses your information to detect if there is a spike in the usage that could possibly be a leak.

To sign up, follow these steps:

1. <https://helpeyeonwater.com>
2. Select Create Account
3. Enter zip code(27568) and your account number(008-1234567) leaving off the last dash and number located on your water bill. For example: your account number on bill is 008-1234567-8, you only would enter 008-1234567.
4. Enter your information, choose a password and then hit next
5. Confirm the verification email
6. Then you can sign in and access your water usage data

If you have any problems, please contact the Town Hall.
